

12V 100Ah LiFePO4 Battery Pack Better Technology Group

How effective is LiTime 12V 100Ah LiFePO4 battery?

95%*Efficiency: LiTime 12V 100Ah LiFePO4 battery's flat discharge curve holds above 12.8 volt 100amp for up to 95%*of its capacity usage,providing astronomical boosts in run-time compared with only 50% in Lead Acid. This product is your best choice for outdoor camping power and indoor easy installation.

How safe is a 12V 100Ah pro LiFePO4 battery?

The double active safety system built in this 12V 100Ah Pro LiFePO4 Battery consists of 60+Battery Management System (BMS) protection and active backup protection. They combine to prevent hazards incurred by electrical and other types of abuse before inviting great dangers to you and your system's safety.

What is a LiFePO4 battery?

Designed to safeguard devices, properties, and individuals in an all-around way, the all-new 12V 100Ah Pro Series LiFePO4 Battery combines software and hardware security to avoid incidents actively. The automotive-grade battery management system built in the 12V 100Ah Pro battery provides over 60 protection and alerts.

What is a 12v100ah Group 24 smart LiFePO4 battery?

Equipped with automotive Grade-A prismatic cells,the 12V100Ah Group 24 Smart LiFePO4 battery is more powerful in stress resistance and heat dissipation. The advanced cells offer over 4000+life cycles @100%DOD,and their exceptional lifespan gives you long-lasting companionship.

What is a LiTime 100Ah lithium FePO4 battery?

NEW LiTime 100Ah LiFePO4 Battery With Bluetooth! LiTime brand-new group 24 Bluetooth LiFePO4 battery propels industry-advancing innovations in performance, safety, energy efficiency and energy density. It demonstrates LiTime's continued drive to push the boundaries of lithium battery industry.

What is a 12V 100Ah lithium battery?

The 12V 100Ah deep cycle group 24 smart lithium battery, equipped with an integrated Bluetooth module, enables convenient monitoring of the battery status using your smartphone through the LiTime App. Q: What to do when receive the battery? Please charge the Bluetooth battery first after receiving it.
