

12V 100Ah Lithium Battery Pack SmartPropel

What is a 12V 100Ah Pro battery?

The automotive-grade battery management system built in the 12V 100Ah Pro battery provides over 60 protection and alerts. This brings greater capability and more precise monitoring in all kinds of environments to identify and reduce electrical & thermal hazards. For the first time, our 12V 100Ah LiFePO₄ battery features active backup protection.

How safe is a 12V 100Ah pro LiFePO₄ battery?

The double active safety system built in this 12V 100Ah Pro LiFePO₄ Battery consists of 60+ Battery Management System (BMS) protection and active backup protection. They combine to prevent hazards incurred by electrical and other types of abuse before inviting great dangers to you and your system's safety.

Who is smartpropel?

SmartPropel is a high tech enterprise, specializing in R&D and Production of Lithium Battery for 15 years. SmartPropel has 4 production bases in Hubei, Shenzhen, Dongguan and Huizhou, complete covers the whole lithium battery industry line, including cylindrical cells production, prismatic cells production, and battery pack production.

How does renogy 12V 100Ah pro work?

With advanced safety features, Renogy 12V 100Ah Pro takes performance further than ever while ensuring a longer battery lifespan. Simply connect the battery to the DC Home app via Bluetooth, and you can have your battery equipped with upcoming features and improvements to always be at its best.

What is renogy smart lithium iron phosphate battery?

The Renogy Smart Lithium Iron Phosphate Battery enables auto-balance among parallel connections and provides more flexibility for battery connection. The integrated smart battery management system (BMS) not only protects the 12V 100Ah LiFePO₄ battery from various abnormalities but also monitors and manages the charging/discharging process.

How many cycles can a renogy 12V 100Ah battery deliver?

Renogy 12V 100Ah Pro Series Batteries can deliver 5000 cycles with a recommended 80% depth of discharge (DOD). Meanwhile, these batteries come with a double active safety system, UL94 V-0 fire-retardant casing, IP67 protection, and rugged structure design to produce safe & reliable power for your off-grid living all year round.

SmartPropel AGV/ATV/Forklift lithium battery pack has below advantage and feature: 1. ... SmartPropel lithium battery can be used in below application: Electric vehicle, such as Electric bike battery, Golf Cart lithium battery ... which has a ...

12V 100Ah Lithium Battery Pack SmartPropel

Our 48V 100Ah lithium ion battery is an ideal replacement for lead acid battery or old lithium battery. SmartPropel 48V Solar battery, 48V golf cart battery, 12V RV battery are perfect for RV, marine, boat, outdoor activities, solar power ...
