

5 40kWh All-In-One ESS Off Grid Flyfine Energy

What is flyfine energy management system?

FLYFINE provides photovoltaic modules, energy storage battery systems, power transformers, integrated EV charging stations, energy management systems, and other products. It mainly uses energy management systems to adjust energy collection and output reasonably.

What energy storage products does flyfine offer?

FLYFINE provides residential energy storage products, including energy storage batteries, inverters, photovoltaic panels, etc. These products can also achieve peak shaving, valley filling, and electricity bill management through solar or grid energy storage.

What is a flyfine energy storage battery?

Flyfine has designed the energy storage battery to be modular to meet more home users' demand for power storage, with a maximum expansion capacity of 80kWh; it allows users to expand the battery capacity at will, significantly improving the battery's flexibility.

Can a flyfine battery be mounted on a wall?

Flyfine offers a series of wall-mounted storage batteries for home users in compact spaces, etc., 5kWh, 10kWh, 15kWh, etc.; it can be simply and quickly mounted on the wall without occupying floor space, allowing users to view the data on the screen more intuitively.
