

51 2V 4U Lithium Battery Bank for Big Storage System Sako Solar

What is a Sako BMS lithium battery 4U?

The Sako BMS lithium battery 4u has flexible expansion capabilities, is easy to install, and is compatible with solar inverters & energy systems.

Is the Sako lithium battery 4U safe?

The SAKO Lithium Battery 4U is safe and environmentally friendly. The lithium battery 4U has a cycle time of up to 3000 cycles and a built-in BMS; if you are interested in the SAKO lithium battery 4U, please get in touch with SAKO today. 1~5A Max. 1PC BMS Control System support max. 32 modules in parallel or series connection.

What kind of solar inverter does Sako offer?

SAKO has developed a wide range of products, including off grid inverters, modules, and solar lithium batteries, so that you can find a complete range of solar systems at SAKO. Capacity: 500VA~100KVA Types: Off Grid Solar Inverter & Hybrid Solar Inverter Capacity: 50A~600AH (1.288KWH~500KWH) Rated Voltage: 12.8V~512VDC

How long does a Sako lithium battery last?

Long life cycle, Over 3000 times deep cycle. The SAKO Lithium Battery 4U is safe and environmentally friendly. The lithium battery 4U has a cycle time of up to 3000 cycles and a built-in BMS; if you are interested in the SAKO lithium battery 4U, please get in touch with SAKO today.

Who is Sako solar?

Shenzhen Sako Solar Co., Ltd, with brand as SAKO, is the professional manufacturer engaged in research, development, sale and service of high quality power and solar products. SAKO main products cover: home inverter, solar inverter, solar panel, lithium iron battery pack and storage solar system. Please prove you are human by selecting the House.

What products does Sako offer?

SAKO's main products are off-grid inverters, lithium batteries, photovoltaic modules, and home energy storage systems. SAKO will provide you with a full range of solar products and professionally customized solutions. +Years Experience +Global agents +Global partners +Employees
