

AS-IR01-2 Series 3KW-5KW AEG Solar

What is AEG ir01-2 inverter?

AEG AS-IR01-2 inverters belong to generation of PV string inverters specifically developed for residential systems. AEG products and production facilities are compliant with the the latest standards to guarantee safety and reliability. Production facilities comply with ISO 9001, ISO 14001 and OHSAS 18001. AS-IR01-3000-2

What is pd201806 AEG single-phase solar inverter?

PD201806 AEG GRID-TIED SINGLE-PHASE SOLAR INVERTER V.1-18 EN... AEG AS-IR01 and AS-IR01-2 series of single-phase grid-tied solar inverters are only deployed in solar grid-tied power generation system. The DC input is only provided by crystalline silicon solar modules whose negative and positive poles are not grounded.

What is the standard communication mode of AEG solar inverters?

The standard communication mode of AEG AS-IR01 and AS-IR01-2 series of grid-tied solar inverters is RS485. The RS485 port can communicate with computers and mobile devices. The WiFi Stick fits the RS485 port of the AEG inverters. WiFi is the standard communication mode for the AEG AS-IC01 and AS-IC01-2.

How many MPPT does an AEG inverter have?

*Planning recommendation: if your AEG inverter has 2 MPPT or more, make sure to connect a balanced amount of solar PV panels to each MPPT to avoid inverter damage and electric risks. If in doubt, read the installation manual or contact the AEG Inverter Support Service. Rated Output Power (W) Max. Apparent Power SE max (VA) Max.

How do I contact AEG solar?

Contact Solar Solutions GmbH Schneckenhofstrasse 19 60596 Frankfurt am Main Germany Technical Support: Mail: inverter-support@aeg-industrialsolar.de Tel: +31 172 205 011 PD201806 AEG GRID-TIED SINGLE-PHASE SOLAR INVERTER V.1-18 EN...

Are AEG inverters ISO 9001 certified?

AEG products and production facilities are compliant with the the latest standards to guarantee safety and reliability. Production facilities comply with ISO 9001, ISO 14001 and OHSAS 18001. AEG inverters are certified a.o. VDE-AR/N 4105, VDE0124,
