

All in One 6.0 13.5kWh GivEnergy

How much power does the all in one provide?

A 13.5kWh LiFePO4 battery and an AC coupled inverter combined in one integrated system. Primarily working as an on grid system, the All in One can deliver 7.2kW of peak power into the home on top of any solar generation. Download Datasheet The might of the All in One, held in check.

What is GivEnergy All in One?

Meet the GivEnergy All in One - a powerful battery plus inverter in one sleek product.

How much does the GivEnergy All in One cost?

GB Solar are currently running a promotional price on the full installation and commissioning of the GivEnergy All in One at £6,450. This includes a full handover with our experienced engineers, monitoring portal set up, electrical certification and DNO permission. The GivEnergy All in One: What options do I have?

What makes GivEnergy a great all-in-one?

When we had our very first delivery of an All-In-One at our EcoHub renewables showroom, we couldn't contain our excitement! Made to compete with Tesla's Powerwall, GivEnergy's battery and inverter combo sports a sleek, premium and robust design.

What is an all in one power system?

At the heart of the system is a substantial 13.5kWh usable battery pack, offering 100% depth of discharge and ample capacity for self-consumption and backup power. Available in two variations, the All in One allows you to power even high-demand appliances during grid outages or peak electricity costs.

Is GivEnergy a good battery & inverter?

GivEnergy's All-In-One Battery and Inverter is a real powerhouse bit of kit, and it's no wonder why everyone wants to get their hands on it! With its modular nature that can be paired or 'stacked' with other All-In-Ones, you can rest easy knowing your household's energy needs are in good hands!

All-in-one AC-coupled inverter and battery system. Consists of 6kW inverter and 13.5kWh lithium-ion battery. Natural cooling function to manage heat dissipation. 100% depth of discharge in the battery. Wi-Fi, LAN and 4G connectivity. ...
