

Custom Lithium Battery Pack 12V 400Ah Shenzhen Himax Electronics

Shenzhen Himax Electronics Co., Ltd. ?? ??? ?? ??? Custom Lithium Battery Pack with BMS 12V 100Ah. ???
????,??,??? ????? PDF? ????? ... Custom ...

Going below 50% DOD will damage a lead-acid battery, even if they claim to be a deep discharge battery.
Thus a 12Ah lithium battery would perform closer to a 48Ah lead-acid battery rating for higher discharge
currents and life performance.
