

He served as president of Sinochem E& P, and vice chairman of West Pacific. Mr. Zhang has served as president and chairman of Sinochem American Holdings, Inc., respectively. He has served as chairman of Sinochem Europe Holdings Plc, chairman of Sinochem International Corporation and DSM Sinochem Pharmaceuticals Limited.

As a traditional business segment of Sinochem Holdings Co., Ltd. (Sinochem Holdings), Sinochem Energy Co., Ltd. (Sinochem Energy) successfully transformed from a purely policy-oriented foreign trade enterprise to an operator and comprehensive service provider with a complete petrochemical industry chain since its establishment. Throughout its more than fifty ...

We act as operator and non-operator onshore and offshore, producing light oil, heavy oil, and gas. In the Permian Basin, US, Sinochem Group spans approximately 87,300 acre of land with over 1 billion barrels, boasting good resource storage, capital structure, and resistance.

The 11th China International Oil and Gas Trade Conference (CIOGTC) was held in Shanghai from November 8 to 9. It was sponsored by the Ministry of Commerce, the National Energy Administration, and the Shanghai Municipal People's Government and hosted by the Foreign Trade Development Bureau of the Ministry of Commerce.

At present, Sinochem Group's energy business consists of the following professional sectors: exploration and production, oil trade, oil refining, storage and logistics, oil products marketing, petrochemicals marketing and industrial park development.

Our Oil Trading and Services segment began in the 1950s, mainly includes the import, export and re-export of crude oil and refined oil products. We have an experienced trading team, and have established deep cooperative relations with world's major ...

New-energy power and storage batteries should play a critical role in this revolution," said Liu Hongsheng, general manager of Sinochem International at the inauguration ceremony. "The Yangzhou base is our key initiative in the new energy realm, and highlights our commitment to green and sustainable development."
