

# FCG Series MCA Battery

Who is MCA battery?

For the company, we have ISO 9001, ISO 14001, ISO 1801 certificate. Besides that, we also got patent for gel battery, agm start-stop battery and some advanced design. Welcome to contact MCA battery, cooperate with us, let MCA power your life! We use China #1 pure lead, no recycle lead, so that we can control the good quality from the source.

Who makes valve regulated lead acid batteries?

MCA Battery, as one of the professional lead acid battery manufacture in China, we produce full range of valve regulated lead acid batteries, which include agm battery, gel battery, deep cycle battery, front terminal battery, high rate battery, lead carbon battery, agm start-stop battery and so on.

What is a gel series battery?

Gel series battery is manufactured with high-quality gaseous silicate to make the electrolyte in uniform distribution. Curdled gaseous silica used in Gel batteries can immobilize the electrolyte and make the plates react evenly.

Are deep cycle gel batteries a good choice for marine applications?

Deep cycle gel batteries have gained significant attention in the marine industry for their potential to improve energy efficiency. With their unique advantages, these batteries have become a popular choice for various marine applications. In this article, we will explore the advantages of deep cycle
