

# Front Access FT AGM Range VRLA

What is a ft range VRLA?

The EverExceed front access FT Range VRLA provides high performance and reliability in long duration discharge applications. Our development team combines the market's demand with design optimization, precision component selection and state-of-the-art manufacturing process to produce the most...

What is ft range AGM battery construction?

Front Access FT AGM Range VRLA CONSTRUCTION - EverExceed's front access FT Range AGM battery construction is as shown in the diagram below. The positive and negative plates are cast from a Lead-Calcium-Tin alloy to reduce grid growth and corrosion.

What is a VRLA battery?

The EverExceed Ultra High Rate Range VRLA batteries provides high performance and reliability in fast discharge applications.

What are the certifications for VRLA battery?

A: ISO 9001,ISO 14001,OHSAS 18001,CE,UL,IEC 61427test report,Patent for gel technology and other Chinese honor. &#216; Q8.What is your warranty time for VRLA battery ?

High-Compression Absorbed Glass Mat technology (AGM) for greater than 99% recombination efficiency. Wide operating temperature range: Easy installation: Long service life-40&#176;C to +70&#176;C: Multicell design for ease of installation and ...
