

Gel Battery 120AH 12V Easun Power

What are the features of Sunstone power 120ah 12V gel solar power storage?

Download PDF Sunstone Power 120AH 12V Gel Solar Power Storage has these features: (1) 12 years lifetime; (2) leakproof and maintenance free; (3) stable quality.

Are easun power batteries reliable?

EASUN POWER's LiFePO₄ batteries are highly efficient and reliable. Made with Lithium Iron Phosphate, they outshine other types in safety and longevity. Equipped with a top-tier Battery Management System, they provide optimized performance across a variety of applications.

What is a 12V gel 18Ah battery?

The 12V gel 18Ah battery is a 12-volt gel battery with a capacity of 18 ampere-hours. It is a reliable and high-performance power source suitable for a variety of applications. It offers a durable and maintenance-free solution for powering various devices and equipment.

What is a gel battery?

The proven silica gel technology can improve battery cycle life and performance at wider temperature range. The deep discharge cycle life is increased 50% compared with the JYC GP series battery. This 12V120Ah gel battery with agm separator and gel deep cycle technology is perfect for inverter and solar power systems.

What is a Sunstone MLG battery?

Designed and developed by Sunstone, the MLG series is a cycle operation storage battery for repeated discharge and charge. They can tolerate deep discharge very well. For example, the design specially for island PV power plants can allow batteries to be charged during the day and discharged at night.

What is JYC gel series battery?

JYC GEL series battery is manufactured with special separators and silica gel immobilizing the electrolyte inside the battery. The proven silica gel technology can improve battery cycle life and performance at wider temperature range. The deep discharge cycle life is increased 50% compared with the JYC GP series battery.
