

LiFePO4 51 2V 100Ah

What are the features of a LiFePO4 battery?

Features: Voltage Options: Available in 48V DC and 51.2V DC standard voltage. Capacity Choices: Choose from 50Ah, 100Ah, 150Ah, and 200Ah options to meet your specific energy needs. Energy Efficiency: Boasting an impressive 98% efficiency at 0.5C, our LiFePO4 battery ensures optimal energy utilization.

What is a Grade A LiFePO4 battery?

?Grade A LiFePO4 Cells?LiTime 51.2V 100Ah Group 8D LiFePO4 batteries adopt advanced Grade A LiFePO4 Cells with UL certificated, which have higher energy density, more stable performance and greater power. Besides, the BMS with equalization to control the consistency of the cells inside the battery, which to extend the battery lifespan.

Why should I upgrade to a LiFePO4 battery?

Upgrade to our 51.2v 100ah LiFePO4 battery and experience a reliable and efficient power solution. Choose the perfect combination of voltage and capacity to suit your specific requirements. Invest in a power source that delivers performance, longevity, and peace of mind.

What is a server rack battery (LiFePO4)?

Aolithium 51.2V 100Ah server rack battery (LiFePO4) consists of 16 3.2V 100Ah Class A cells connected in series. With a stable configuration, making the quality reliable and lasting extremely longer. Own a 5.12kWh output energy, and support max 5.12kW load power draws, perfect for home emergency energy storage, and boat house bank batteries.

What is the operating temperature of a LiFePO4 battery?

Temperature Specifications: Wide operating temperature range from -20°C to 65°C for reliable performance in various environments. Upgrade to our 51.2v 100ah LiFePO4 battery and experience a reliable and efficient power solution. Choose the perfect combination of voltage and capacity to suit your specific requirements.

Why should you buy a LiFePO4 4x battery?

4X Charging Speed & 1/2 Space Saving: Equivalent to 4pcs 12V 100Ah LiFePO4 batteries in 4S, it greatly reduces charging time from 20hrs to 5hrs because it doesn't need to be charged one by one and saves you half the space to do what you love.

• Longer Life | Save \$3000+ Bills: Ampere Time 48V 100Ah Lithium battery provides 4000+ deep cycles & a 10-year lifetime and extends the battery lifespan by • more than the lead-acid batteries. With a lifespan of 20480kWh (4000 ...
