

LiFePO4 Batteries 48V105AH Mentech

What is a 48 volt LiFePO4 battery?

A 48 volt LiFePO4 battery is normally used for solar energy storage systems and also for golf carts or marine applications. The popularity of the 48v lithium iron phosphate battery lies in its safety as the most advanced lithium rechargeable batteries currently available. Additionally, LiFePO4 batteries have much longer life cycles than other types of lithium batteries.

How safe is the lithium-ion powerbrick battery 48v-105ah?

The Lithium-Ion PowerBrick battery 48V-105Ah offers high level of safety through the use of cylindrical cells in Lithium Ferro Phosphate technology (LiFePO4 or LFP). PowerBrick 48V-105Ah integrates an innovative Battery Management System (BMS) in its casing to ensure a very high level of safety in use.

How does powerbrick 48v-105ah work?

PowerBrick 48V-105Ah integrates an innovative Battery Management System (BMS) in its casing to ensure a very high level of safety in use. The BMS constantly monitors and balances the battery cells to protect the battery and increase its life. The BMS also protects the battery from any misuse: deep discharge, high charging voltage, etc.

What is the Eco Battery EB48V105-EZGO 105Ah?

The Eco Battery EB48V105-EZGO 105Ah is a battery that charges 3X faster than lead acid systems with no memory effect, allowing you to charge partially or fully at any time. It has a 2-hour recharge time after an 18-hole round. This battery is also 5X less heavy, saving over 300 lbs. in golf carts or motorhomes, and 75 lbs. in fishing boats. It provides more power and longer run times.

Designed for EZGO Golf Carts - The Eco Battery EB48V105-EZGO 105Ah 48V Lithium Battery Bundle by Eco Battery is an industry leading Deep-Cycle Lithium Battery retrofit package featuring a LiFePO4 power bank designed for EZGO ...

The ATG Batteries 48V 100AH Lithium LifePO4 battery is a top-of-the-line deep cycle battery that is built to withstand even the harshest conditions. Designed in Australia, this battery is made to handle the unique demands of the Australian ...
