It's also worth mentioning that you cannot access the luggage storage boxes in these port terminals outside of operating hours, so they will be unavailable after the cruise ships leave for the day ...

A self-storage unit is an indoor, dry and safe facility you can rent as a private person or company. Self-storage in Oslo comes in different sizes and prices, and can cover any purpose. Whether you need long-term storage to create more space at home or short-term storage for moving, self-storage is the solution for you.

Enter Battery Box: a local energy storage solution that helps manage the timing differences between intermittent energy generation and electricity usage. Occupying an area equivalent to just 2 car parking spaces, each Battery Box connects directly to the local electricity network, storing excess renewable energy when it is windy or sunny.

Oslo bus terminal does not offer boxes that are suitable for skis and ski equipment. Luggage that remain unclaimed after three days, is removed from the storage boxes and put in lost property storage. T. M&#229;l Large box - Width: 44cm. Depth: 84cm.
