Self-Cooling-PW-164 Outdoor Distributed Energy Storage Cabinet- Power Type. Self-Cooling-EN-215 Outdoor Distributed Energy Storage Cabinet - Power Type. ENERGY MANAGEMENT SYSTEM EMS. ACDC-C1-DC DC Charging Point. About Us. ... If you are interested in our products, you can choose to leave your information here, and we will be in touch with you ...

As a pioneer manufacturer of home storage systems, Lipower provides you with a comprehensive range of home energy storage products. From home storage batteries of different capacities to various inverters, we provide you with high-quality functional power station solutions that can meet any of your target market needs.

We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services. In addition, Machan emphasises the modular design of rack-type enclosure structures, increasing design flexibility to meet specific customer requirements.

The iForway HS800 Portable Outdoor Solar Power Station is a reliable and eco-friendly energy solution for outdoor adventures or emergency backup. With its high-capacity battery, multiple output ports, and solar charging capability, it keeps your devices powered up off-grid, ensuring convenience and sustainability wherever you go.

Our container battery energy storage system can be customized and expanded according to the needs of customers. Whether it is an industrial application that requires the storage of large amounts of electrical energy, or an emergency situation that requires reliable power to a remote location, we have the best solution.

Our energy storage solution excels in providing a prolonged cycle life, with battery cells boasting an impressive lifespan of up to 6,000 full cycles. This longevity is facilitated by a sophisticated liquid-cooling system that effectively restricts the temperature difference between battery cells within a narrow 2° range.
