

# PH1800 Pro Series Must Energy

What is ph1800 pro?

PH1800 PRO is a multi-function inverter/charger, combining functions of inverter, MPPT solar charger and battery charger to offer uninterruptible power support in portable size. PH1800 PRO Series can run without battery.

Can ph1800 Pro run without battery?

PH1800 PRO Series can run without battery. The Maximum PV array open circuit voltage can reach 450V and MPPT voltage is 150~430V, which can help customers make full use of solar energy. ? Smart LCD setting (Working modes, Charge Current, Charge Voltage, etc).

What is a must Energy Power Company?

\*// Mobile Phone APP remote monitoring (optional) \*// Feed back energy to the grid (ON-OFF-GRID)  
Shenzhen MUST ENERGY Power Co., Ltd established in 1998, with the headquarter in Hongkong, which is a professional hi-tech enterprise specialized in Power Inverter, Solar Power, VRLA Battery development, manufacturing, sales and after-service.

Features: o Pure sine wave inverter. o Programmable multiple operation modes: Grid-tie, off-grid and grid-tie with backup. o Configurable input voltage range for home appliances and personal computers via LCD setting. o Configurable ...

A high-tech manufacturer integrating R& D, production, sales and service of lithium battery energy storage related products. The inverters is durable and effecient in very high temperature conditions. Must Energy Make a Strong ...
