

PSC 1600-1800 TBS Electronics

What is a psc1600-12-60 & P sc1800-24-35?

Inverter Charger- Powersine Combi 1600W - 1800W (12V/24V) The PSC1600-12-60 and PSC1800-24-35 are very compact all in one combinations of a true sinewave inverter, a powerful battery charger and an automatic transfer switch. An ideal power station solution for Caravan, RV, Marine or off-grid solar applications. More info? [Click here](#) Where to buy?

What is a powersine psc1600-12-60 and P sc1800-24-35 inverter?

⌘ Powersine Combi Inverter-Chargers ⌘ Inverter Charger - Powersine Combi 1600W - 1800W (12V/24V) Inverter Charger - Powersine Combi 1600W - 1800W (12V/24V) The PSC1600-12-60 and PSC1800-24-35 are very compact all in one combinations of a true sinewave inverter, a powerful battery charger and an automatic transfer switch.

Who is TBS?

TBS is a fast growing privately owned company designing and manufacturing all products in The Netherlands. We are famous for our high product reliability and innovation (first affordable pure sinewave inverter launched in 1996, manufacturer of the industry standard e-xpert battery monitors etc.).

Who is TBS electronics?

Founded in 1984, we have worked for OEMs exclusively till 2006. After 2006 we have started designing and marketing products under our own brandname 'TBS Electronics' and are selling worldwide. Besides the current product lineup, you can expect a continuous focus to expand our product lineup even further in the near future.
