

SOLAR WARE 2700 TMEIC

What is input DC voltage solar Ware 2700?

Input DC Voltage SOLAR WARE 2700 is one of the largest central PV inverter in the 1500V power class. The first heat-pipe based hybrid cooling technology implemented in utility-scale PV inverter solution providing optimal opex model.

What is a TMEIC solar Ware inverter?

TMEIC's Solar Ware family of utility scale inverters includes the latest interconnection technology. These PV Inverters improve the efficiency and reliability of electric power supply systems using power conversion technology. Advanced multilevel inverter - 56% of switching loss...

How does a TMEIC heat pipe inverter work?

Utilizing TMEIC heat pipe technology, the inverter runs without fan operation up to 50% load. Heatpipe cooling significantly simplifies thermal management, because it uses fewer parts and only a slow-speed fan with a heat pipe heat sink. Max. Input DC Voltage SOLAR WARE 2700 is one of the largest central PV inverter in the 1500V power class.

Which solar inverter is suitable for mega-solar power plant deployment?

SOLAR WARE 665E(J) is a highly engineered 1000V PV inverter suitable for mega-solar power plant deployment. TMEIC's proprietary 3-level topology redefines utility scale PV system with industry's... SOLAR WARE 630 is a highly engineered 1000V PV inverter suitable for mega-solar power plant deployment.

What is a solar Ware Ninja?

TMEIC's Solar Ware Ninja is the latest evolution of the highly successful Solar Ware family of inverters, joining over 29GW of TMEIC's globally installed photovoltaic inverters. Continuing the... The SOLAR WARE 1833GRQ/Solar Ware 1667ER (J) is one of the largest central PV inverter in the 1000V power class.

What is TMEIC's 3 level topology?

TMEIC's proprietary 3-level topology redefines utility scale PV system with industry's... SOLAR WARE 500E is a highly engineered 1000V PV inverter suitable for mega-solar power plant deployment. TMEIC's proprietary 3-level topology provides industry's leading efficiency level and... This product is no longer in production.
