

Tubular Lead-acid Battery OPzS Huaifu Energy Storage

How much power does Huaifu produce a year?

Today,Huaifu has nearly 200 full-time R&D personnel,nearly 100 part-time R&D personnel,With International advanced automatic equipment and excellent producing process,Huaifu produces an annual capacity of approximately 4,000,000kVAh. Lead battery : Classify our lead battery into Energy Storage Battery Series,Back-Up Battery,EV Battery.

What is Huaifu battery?

Technological breakthrough, excellent long life with high charge&discharge rate, lead carbon battery provide the stable and reliable feature to power station, solar farm, ESS. 10 years' hard work on the R&D of lithium battery with Huaifu pouch cells, provide the safe, reliable solution. Specially designed for general energy storage application.

Who invented Huaifu battery?

Started from the production of traditional lead acid battery for energy storage,with the lead of Mr. Chunshan Ju,the brand of Huaifu's influence in the market was increasing.

How Huaifu can help you find the best battery solution?

Based more 30 years' experience on energy storage batteries, Huaifu will help find the best battery solution for your different applications. Series kind of gel battery with patented technology meet the inquiry for different operation temperature condition with super performance, and provide the cost-effective solution.

What is Huaifu deep cycle gel battery?

Huaifu deep cycle gel battery,pure gel batteryfor different operation temperature condition,lead carbon battery Opzv,Opzs have the long life,stable and reliable feature. Huaifu use pouch cell to manufacturer the safe,reliable NCM lithium battery,LFP,LiFePO4,Li-iron battery solution.

Why should you choose sunlight OPzS batteries?

Sunlight OPzS batteries are characterized by low maintenance requirements,long service life and excellent capacity performancewhile operating at high temperatures or unstable power network,thus providing a premium,efficient and cost effective energy solution.
