

UC Series Sunstone Power

Who is Sunstone power industry?

Sunstone Power Industry Co.,Ltd was established in 2003. So far we have more than 17 years of history of production,marketing batteries for UPS,Solar system and Telecom applica-tion worldwide. We started as a Lead Acid Battery manufacturerand from 2018 we entered into LiFePO4 battery production and also developed the BMS system by ourselves.

What is Sunstone OPG battery?

Sunstone OPG series is OpzV standard battery. It is Valve Regulated Lead Acid battery that adopts immobilized GEL and Tubular Plate technology to offer high reliability and performance. The Battery is designed and manufactured according to DIN standards and with die-casting positive grid and patent formula of active material.

What is Sunstone VG series battery?

SunStone Vanguard (VG) series battery is specially designed for telecommunication applica-tions. The outstanding advantage of VG series battery is that the width of the battery is narrow and the two terminal batteries are in the front. It is very convenient for connecting bus-bar and inspect after the batteries are installed in the rack.
